

## RETURN FORM

### YOUTH BOOSTER CAP

Dear Sir/Madam,

IOMA is an eco-friendly brand and takes care of recycling the cap of your Youth Booster—which contains the hydration sensor—once it has been used.

To do this, please fill out the form below and attach it to your parcel. Send your Youth Booster cap to the following address:

**IOMA Customer Service**  
**87 Rue Réaumur**  
**75002 PARIS, France**

You can send us your Youth Booster cap regardless of the store the product was purchased from. You are responsible for paying the shipping fees.

Upon receipt, we will send you a £40-voucher within 20 days, which can be used toward the purchase of your next Youth Booster or toward any order over £148.

See you soon at [www.ioma-paris.com](http://www.ioma-paris.com)!
